

# Multilateral Intercoms

Instant communication  
"All with all"

Model IC-6

**THE LINE IS NEVER BUSY!!!**

# INTERCRON

# Multilateral Intercoms

## Model IC-6

Use the speaker for internal instant communication.

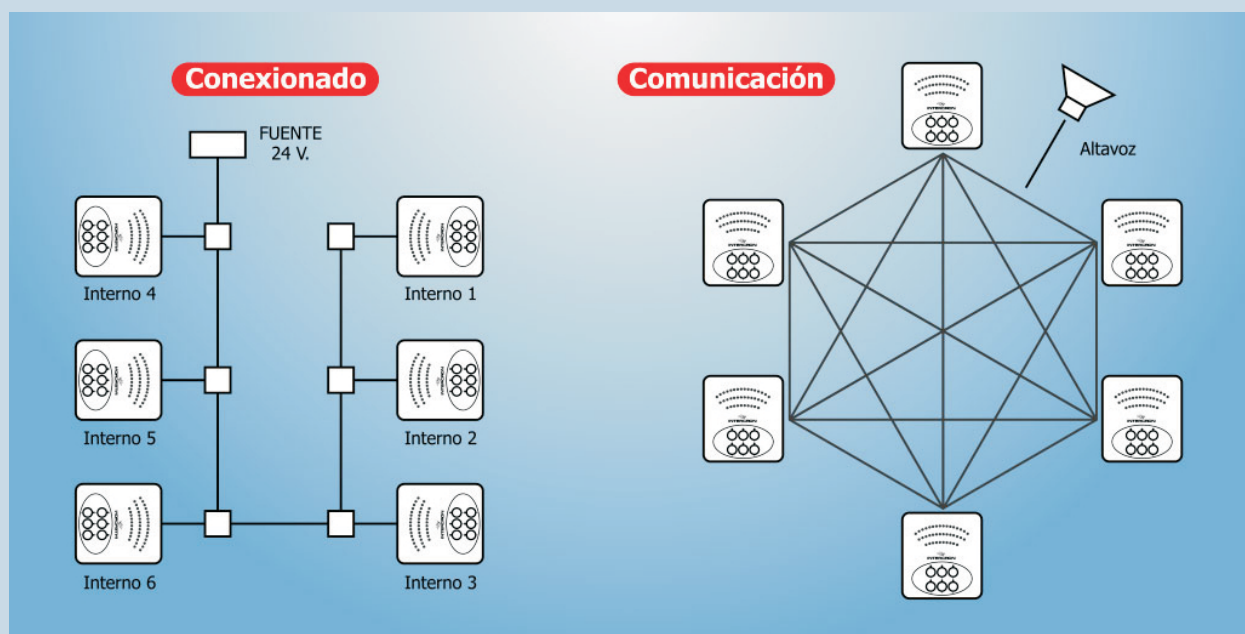

Its LEDs indicate the origin of the call.

This can support as many simultaneous conversations as pairs of devices make up the system.

It supports industrial intercoms.

### Optional

- **Output to speakers:**  
It allows locating people away from their post instantly.
- **General call:**  
For specific and urgent messages.
